Parents:

We would like all children to participate in a range of character building activities and experiences to help them to develop their knowledge and skills. We have listed a number of exciting experiences that could be completed at home with support from families. You may also complete and record any other activities.

If you would like to collect and bring in photographs of the activities you have completed, your child will be invited once a term to bring them to school to share with the class.

Knowledge...Your passport to the world!

Passports will be reviewed in school each term and you will be rewarded at the end of the year for your participation in out-of-school activities and experiences.
