Sibling Attendance Reminder

We kindly ask parents and carers to support regular attendance for all children. If one child in the family is unwell, this does not mean their siblings should remain at home. Unless a sibling is also unwell, they are expected to attend school as usual.

Good attendance helps children maintain routines, keep up with learning, and feel settled in school. If you are unsure whether your child should attend, please contact school and we will be happy to advise.

Thank you for your continued support in helping us promote positive attendance for all pupils.

In addition, the total amount raised at the Book Fair was £359.35 to support school funds

As you know, healthy lunches and snacks are important for active children. Eating healthy food helps children concentrate and learn. We want to share some of the healthy packed lunches children bring into school to give you alternative packed lunch ideas. We will choose a healthy packed lunch each week and share with you.

This week's **Healthy Packed Lunch of the Week** goes to **Liam**

Due to the wide range of ingredients used within our school kitchen, we would like to make you aware that we cannot guarantee that all foods provided are completely free from allergens. There is always a small risk of cross-contamination during preparation, cooking, or serving. Whilst we take precautions to reduce this risk, all food is prepared in our kitchen where allergens are present. We do have designated preparation areas, which are thoroughly cleaned between use.

School Badges

Every child receives a certificate and the option to buy the badge from the office.

All badges are priced at £1.00 except the maths bar badges which are £2.00.
