The overall attendance so far this year is 95.5 %. This is a great achievement and we would like to thank you for your continued support. We are striving for excellence; therefore, it is really important that we continue to work together to do all we can to prioritise the children's attendance.

Top tips to help improve attendance;

- Phone school as soon as possible to tell us why your child is absent, and when you expect them to return.
- Only allow days at home for genuine illness.
- Talk to your child regularly about school and how they feel about it.
- Talk to school if you have any worries about your child's attendance and we can work together to find solutions.
- Where possible, schedule medical appointments outside of school hours.
- Having a regular bedtime and morning routine can help your child to arrive at school on time and ready to learn
