The overall attendance so far this year is **95.6 %**. This is a great achievement and we would like to thank you for your continued support. We are striving for excellence; therefore, it is really important that we continue to work together to do all we can to prioritise the children's attendance.

Top tips to help improve attendance;

Phone school as soon as possible to tell us why your child is absent, and when you expect them to return.

Only allow days at home for genuine illness.

Talk to your child regularly about school and how they feel about it.

Talk to school if you have any worries about your child's attendance and we can work together to find solutions.

Do not take holidays during term time.

Where possible, schedule medical appointments outside of school hours.

Having a regular bedtime and morning routine can help your child to arrive at school on time and ready to learn.

Our School Trips

We have a number of exciting school trips planned for the Summer Term. If you have not yet paid for your child's upcoming trip, we kindly ask that payment is made as soon as possible.

Please note that these trips can only go ahead if sufficient funds are received to cover the overall costs. At present, there are still outstanding payments for the Preschool, Reception, Year 2, Year 4 and Year 6 trips.

These visits provide valuable educational and enjoyable experiences for the children, and we are very keen for them to take place and continue for future year groups. We would therefore appreciate all outstanding contributions being paid promptly.

If you are experiencing any difficulties or have concerns regarding payment, please contact the school in confidence so that we can offer support where possible.

Thank you for your continued support.

Thank you to everyone who came to watch our children in their Summer Music Concerts this week.

In total, 600 children have performed this week and it has been wonderful to see and hear all of their progress made throughout the year in Music.

I think everyone has enjoyed a fantastic week of music making.

We understand that late collection of children may occur very occasionally.

However, some children are regularly collected late from school. If a child has more than **two late pick-ups** (from office staff) in a term, parents will be charged at a rate of £5 per child for every 15 minutes after 3:45pm.

Late pick-ups from after school clubs may result in the place being withdrawn.
