Every Minute Counts

Be on time. Be ready. Be your best!

Small amounts of time make a **BIG** difference!

Every minute of the school day matters.

Regularly arriving late or collecting children early can result in missed teaching, activities and opportunities to consolidate learning.

Even **losing just 10 minutes a day** can add up to a significant amount of missed learning over a term. Late arrivals can also make it harder for children to settle and can interrupt the learning of their classmates.

We understand that occasional lateness or early collection is sometimes unavoidable. However, wherever possible, please arrange appointments and other commitments outside school hours.

ATTENDANCE MATTERS

LOST MINUTES = LOST LEARNING!

EVERY SCHOOL DAY COUNTS!

Every school day counts BUT every minute is equally important!

By ensuring children arrive on time and stay for the full school day, we can help them make the most of every learning opportunity.

Fridays 3.30pm-4.30pm

Primary school-aged children are especially welcome, but all young collectors can attend. Children under 8 must be accompanied by a responsible adult. Adult supervision is recommended for all attendees. Any trades made by unsupervised children are at their own risk and are final. The library, staff, and volunteers accept no responsibility for trades, disputes, or losses arising from exchanges between participants.

No need to book, just drop in.
